Forever Autumn
p. 8 + 9

Hooray, the new season is finally here, our lovely autumn and Christmas decorations will make you cheer!

The busy elves, diligent and smart, had the trends in hand, way ahead of the start.

In colours like turquoise and pink, the items shine bright, ribbons and teddies are the festive stars of 2025, what a sight!

Leopard prints meet Christmas delight, and also All-Season collections sparkle in the light.

Colourful styles or natural flair, there's a collection for every taste out there.

Whether you love opulence or nostalgic charm, our new trends are sure to surprise and make hearts warm!

For your business, the perfect selections await, with everything customers love, in styles that captivate.

The season's highlights are ready for you, a visit to BOLTZE is worth planning, that's true!

With joy in our hearts and inspirations to share, we wish you a shopping tour beyond compare!

Halloween Items

Spooky, but modern please - that's the BOLTZE Halloween look that will bring a eerily beautiful atmosphere to your shop. White decorative pumpkins with faces, black bats and white ghosts as decorative pendants make the Halloween decorations contemporary and spooky at the same time. Perfect for a Halloween with style!

Can be found in: **AUTUMN GOALS (p. 6-7)**

O'zapft is! We have dedicated a new exclusive design in the Bavarian colour duo of white and blue to the world's biggest folk festival. With beer mugs, chopping boards, napkins, shot glasses and more, you'll find the right items for your traditional range here - perfect for a real Oktoberfest style, no matter where you're celebrating!

Can be found in: **MOUNTAIN CHALET (p. 26-27)**

Leopard Patterns

Trendsetters know it: when it comes to fashion, nobody can ignore leopard prints now. We are now bringing this megatrend into interiors. With cool mugs, benches, cushions, lanterns and more, everyone can decide for themselves whether they want to set small accents or go all-in.

Can be found in: **BLACK FOREST (p. 20-21) & CAPETOWN SPIRIT (p. 40-41)**

Bows can do more than just wrap presents beautifully! With our new own design „Boucle“ we show how versatile bows can be in Christmas decorations. Whether as decorative tableware or playful details on candle holders, our bows add a festive and elegant touch to the Christmas season.

Can be found in: **VELVET CHRISTMAS (p. 18-19), CHRISTMAS DIAMONDS (p. 10-11) & BEST CHRISTMAS (p. 22-23)**

Bow-Shaped Decorations

Pink is the absolute highlight in the Christmas decorations of 2025! With brightly coloured Christmas baubles, cushions in a velvet look and stylish decorative figurines, you can set trendy accents that interpret Christmas in a modern way and with a cool twist.

Can be found in: **WOW-SANTA Trendlab (VELVET CHRISTMAS, p. 18-19)**

Trend Colour Pink

PROFILE

"Autumn Goals" combines Japandi style with natural elements, matching the "Simply Nordic" and "Nature Love" collections. Special items include black Halloween decorations and pumpkins with faces in plain white or bright orange.

Autumn Magic in Modern Japandi Style

Bring the perfect mood for the transition from late summer to autumn into your shop! This collection combines All-Season decoration in Japandi design with autumnal mushrooms and pumpkins. The neutral colour palette with accents in warm orange and stylish black harmonises perfectly with wooden items. Cosiness meets modern elegance here, while Halloween details, such as little ghosts and black bats, provide a cute spooky factor. Discover timeless decorations that will delight your customers!

Spooky
Halloween

With pumpkins as lanterns, spiders and ghosts in the decorations, every Halloween party gets a spooky and beautiful scary factor.

PROFILE

"Forever Autumn" combines minimalist style with retro influences. Original designs such as mushrooms, pumpkins and colourful leaves characterise the collection. Decorative figurines of birds, hedgehogs and squirrels round off the autumnal look.

Autumnal Elegance in Warm Colours

The colourful autumn mood is perfectly captured with "Forever Autumn". Delicate peach and berry colours meet dark brown wood and create a warm, welcoming feeling. Modern shapes and wood blend harmoniously with autumnal artificial flowers and figurines made of painted terracotta. This combination of minimalist chic and a touch of retro gives every room a timeless look. Simply a stylish must-have for the coming season - natural, elegant and full of autumnal cosiness!

Turn the Christmas season into a stylish experience in a luxurious ambience! Sparkling baubles in silver and turquoise as well as disco baubles exude pure extravagance and a party mood. Decorated with pearl necklaces and bows, Christmas becomes a glamorous celebration that brightens up living spaces. Whether napkins, placemats or champagne glasses - the "Silvester" exclusive design offers decorations for the perfect transition into the new year. "Christmas Diamonds" is the ideal choice for celebrations full of elegance!

PROFILE

"Christmas Diamonds" impresses with its extravagant glamour and can be perfectly combined with "Winter Whispers". Highlights include gift-shaped Christmas pendants, bows in turquoise and with sequins as well as shimmering stars.

PROFILE

“Classic Christmas” combines country charm with classic elegance and goes perfectly with “White House”. Highlights include nostalgic crockery adorned with fir and mistletoe, Santa Claus figurines and traditional Christmas pendants.

Traditional Christmas Magic with Elegant Details

"Classic Christmas" brings a touch of elegance to traditional Christmas decorations. The classic red and green combination gets a modern twist with soft white tones. Shiny decorative elements such as silver and gold bells, elegant candle holders and sparkling baubles create a festive, comfortable ambiance. Wooden surfaces and chequered patterns have a touch of rustic country house flair and create warm, cosy contrasts. This bright setting is perfect for festive gatherings and contemplative moments!

Cheerful Scandinavian Christmas

Here, the festive season becomes colourful and lively, in typical Scandinavian style. Joyful colours, stripes, dots and patterns create an exuberant, playful mood. These lovely decorations bring vibrancy and warmth to any home - perfect for anyone who wants to celebrate Christmas in a colourful and carefree way!

PROFILE

"Jingle all the way" has a cheerful, Scandinavian charm and can be combined well with "Winter Whispers".

Special items include Christmas pendants with Norwegian pattern, cheerful fir prints and metal shelves in the shape of fir trees.

In a light-coloured setting with lots of wood, linen fabrics and wickerwork, this collection shows the simple beauty of nature in Christmas appearance. The different materials blend perfectly with each other and create a calm winterly surrounding. Modern decorative items emphasise the calm and harmony of the collection. Fresh lime green brings vibrancy to the winter scene and sets trendy colour accents. "Calm Christmas" is ideal for nature lovers and anyone who wants a fresh touch and colour during the cold season.

Natural Colours for Contemplative Holidays

PROFILE

"Calm Christmas" combines naturalness with trendy accents, perfect for anyone who likes "The Power of Green" and "Nature Love". Highlights include lime green stars, advent calendars with small stockings and cushions with pom-pom details.

PROFILE

"Velvet Christmas" is trendy as well as sophisticated and harmonises well with "Bonjour Paris". Special items include ribbon pendants, velvet table runners and Christmas tree figurines in bright colours.

Feminine Elegance with Velvety Details

- Soft velvety fabrics and shiny silver radiate pure festivity - ideal for making the banquet at a stylishly laid table unforgettable. Velvet bows are the trendy it-piece of this collection and add a touch of sophistication to Christmas decorations. In our "Wow Santa" trend lab, the trend colour pink creates an impressive effect and is one hundred percent sophisticated. Plush, striped fabrics and satin make „Velvet Christmas“ the perfect choice for anyone who wants to celebrate Christmas with a stylish, elegant twist!

PROFILE

"Black Forest" embodies modern, Scandinavian cosiness and goes perfectly with "Simply Nordic" and "Calm Christmas". Highlights include large, modern candle holders, a large Christmas sleigh and elves with a trendy leo pattern.

Nordic Christmas

This collection shows the festive mood of the Scandinavian winter in a modern look. Lots of white, elegant black interior pieces and simple shapes exude calm and serenity. Light-coloured wood sets up an homely cosiness and harmoniously integrates the popular nature trend into the overall look. This collection creates the perfect setting to celebrate, laugh and enjoy the moment together. With "Black Forest", you will bring modern design and cosy warmth to the Christmas season!

PROFILE

"Best Christmas" exudes rustic cosiness and goes wonderfully with "White House". Special items are a large retro car in orange, flannel bows with a tartan pattern and gingerbread pendants and cushions.

Cosy and Rural-Style Holidays

A touch of country cosiness fills the room: cuddly blankets, teddy bears and soft candlelight create a warm, inviting atmosphere. Warm colours and a versatile mix of materials - from rusty eye-catchers to soft cushions - give this collection its unique character. Inspired by American Christmas and classic glen check patterns, it brings back memories of freshly baked gingerbread and cinnamon biscuits. Perfect for cuddly hours by the fire and surrounded by loved ones, the festive season will be an unforgettable experience!

Bright, inviting and cosy: all in white, "Winter Whispers" captures the magical moment of a snowy dream. This collection appeals to young and old alike and combines bright colours with soft textiles that harmonise with accents in silver aluminium and zinc. Santa Clauses, snowman figurines, warm blankets and elegant aluminium candle holders embody the special winter charm. "Winter Whispers" invites you to enjoy the cold season indoors to the fullest!

PROFILE

"Winter Whispers" has a cosy all-white casual look that goes perfectly with "White House". Special items include jumbo mugs with 3D embossing, a snowball garland and LED pendants.

*Snowy
Winter Magic
All in White*

PROFILE

"Mountain Chalet" combines alpine style with woody accents and goes perfectly with "Classic Christmas". Special items include slate coasters, grazing and mountain animals designs as well as blue and white Oktoberfest decorations.

Winterly Mountain Hut

Bring the sentiment of a winter holiday in the mountains directly into your customers' homes! While the snowflakes fall outside, the room becomes an inviting retreat with the right decorative items. Lots of wooden elements, fluffy fur blankets and the crackling open fire create a warm ambience that invites you to relax. Bright red decorative highlights lend the collection a festive charm and add lively accents. Enjoy the cold season with "Mountain Chalet" and let yourself be enchanted by the cosy atmosphere of a mountain hut!

BOLTZE *News*

HOME TEXTILES RANGE

Look forward to even more variety! Just in time for the cold season, you will now find more cosy blankets and pillows in our range.

As a brand-new addition, we are expanding our home textiles range with bed linen! Look forward to exclusive and trendy designs, suitable for autumn, Christmas and also for every day. The reversible bed linen, some of which is printed on both sides, also offers flexible combination options.

The bed linen is part of our exclusive own design series and can be perfectly combined with other items such as cushions, lanterns or mugs from the same series. This allows your customers to buy several matching items at the same time and furnish their home stylishly and harmoniously.

EVEN MORE CHRISTMAS ORNAMENTS

We have expanded our range of Christmas baubles and pendants for you! Now you can choose from an even wider selection of festive items and offer your customers a greater variety. From classic baubles and glittering snowflakes to kissing mouths, ring boxes and much more - over 40% more items offer the right ornaments for every Christmas tree. Discover classics and new trends and enrich your Christmas range!

FASHION AND ACCESSORIES

Experience the fashion world of BOLTZE! An even more comprehensive range of fashionable accessories perfectly complements your decorative range and rounds off your customers' shopping experience. Our accessories are Oeko-Tex certified and offer maximum comfort in one size. Discover our hats, scarves, bags and ponchos in classic basic shades, with a few colourful highlights for an extra fashionable touch, all with our "be happy" patch and in warming, partly knitted, partly brushed materials - perfect for winter!

DISPLAY CONCEPT FOR MORE IMPULSE BUYS

Quick, easy, practical: our new cardboard displays on ¼ pallets offer a space-saving and eye-catching solution for your POS. They are equipped with atmospheric top signs suitable for autumn and Christmas and, with 6 levels, offer plenty of space for individual stocking with your desired items at great prices, which your contact person will help you select. In this way, you can ensure a sales-boosting product presentation in the important high-frequency range.

Scandinavian Purity with a Feminine Touch

The popular Scandi look gets a fresh update with pink, which gives the interior design style an inviting, feminine look. Together with cool black and grey, it provides a modern vibe that inspires design lovers to come up with new, creative ideas. This collection combines Nordic minimalism with soft accents and creates a stylish ambience that radiates both calm and elegance.

PROFILE

"Simply Nordic" combines feminine style with Scandinavian simplicity, a great match with "Black Forest".

Special items include a pink-coloured tableware series with red stripes, modern chairs and side tables in pink and black.

Fresh Colours for Every Day

Discover a completely new world of colour with delicate rosé tones, harmonious lime green and vibrant dark orange. These stylish colours create an inviting mood. Modern, organic shapes combine with natural elements to create a stylish overall look. Materials such as natural wickerwork, metal, coloured glass and embroidered textiles bring creative freshness to your shop. "New Serenity" is the perfect choice for adding vibrant accents and creating a calming, harmonious space all year round.

PROFILE

"New Serenity" combines natural elements with lively designs, while "Forever Autumn" provides the matching autumn decorations. Highlights include Lenea items in new colours, a striped floor rug and circular pattern decors.

The collection "The Power of Green" brings soothing and liberating energy into living spaces. Harmonious shades of green revitalise the interior and, in combination with beige, create a fresh, calming flair. Natural materials such as wood, textiles, glass and metal lend each decorative item individual facets and ensure a harmonious balance. This collection is ideal for bringing the power of nature into living spaces and creating a place that is both relaxing and inspiring.

The Full Strength of Nature

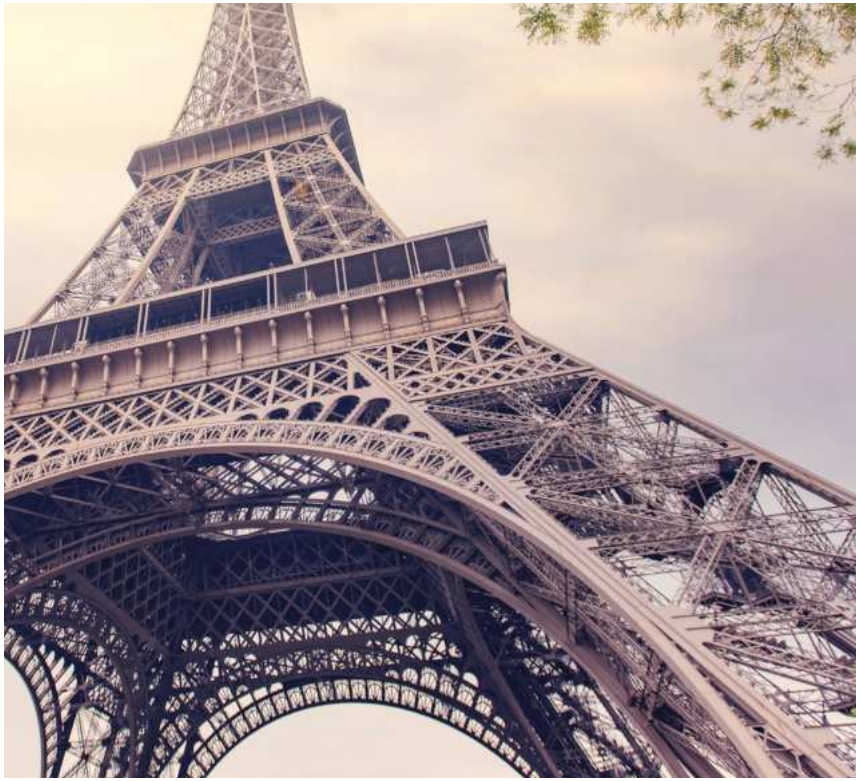

PROFILE

"The Power of Green" radiates naturalness and freshness and goes perfectly with "Nature Love". Special items include pleated vases, patterned cushions and green fluted glass.

PROFILE

"Bonjour Paris" combines a romantic living style with elegance and fits perfectly with "Velvet Christmas". Special items include glass plates with a vintage floral pattern, golden mirrors and special jewellery boxes.

Romantic Flair from the City of Love

Let yourself be whisked away into a world of romantic elegance, inspired by the culturally rich metropolis. Warm shades of red, green and pink harmonise with precious gold and create a glamorous look. New exclusive designs add a special touch to the look, while eye-catching decorative accessories enhance the theme with a wow effect. "Bonjour Paris" brings an elegant French vibe to your shop and transforms any room into a stylish place full of grace.

Naturalness, Warmth & Cosiness

Natural materials and calm colours result in a place of relaxation. Wood, textiles, stoneware, ceramics and wickerwork bring the living style to life and create an pleasant atmosphere. Warm brown in various shades gives the look a relaxed, earthy touch. This trendy and timeless style brings nature into living spaces and invites you to feel good!

PROFILE

The natural and trendy furnishing style is a perfect match with "Black Forest" and "Calm Christmas". Vases in new organic shapes, baskets made of seaweed or modern side tables - look forward to a variety of new decorative objects for every day!

PROFILE

"Capetown Spirit" combines ethnic and Scandinavian elements and can be perfectly combined with "Simply Nordic". Special items include a leo bench and faux fur rugs, large wicker floor lamps and elephant figurines in a wooden look.

Ethno Look meets Scandinavian Clarity

Minimalist, Scandinavian-inspired shapes merge with African elements into a unique living style - Africandi. This collection brings a cool and unique selection of decorative items to your shop. The combination of beige, black and warm earth tones results in an ethnic look with a modern twist. This special combination of clean lines and cultural influences sets stylish accents and awakens the desire to travel.
