Animal

The capybara is winning hearts on social media and has earned a special place with a series that shares its name.

Trend COWBOY-BOOTS

Cowboy boots are an iconic symbol of Western culture – in both fashion and lifestyle. With the new, intricately designed *Montana* boots and striking decorative boot-shaped displays, we're bringing this trend into the home. The mix of rustic charm and playful statement appeal guarantees attention and speaks to customers who value both a natural aesthetic and a sense of style.

GLAM OF NATURE

All-Season

Naturally Beautiful
All Year Round

The All-Season pendant translates the festive elegance of *Glam of Nature* into a soft, elegant-everyday style. Light wood, textured surfaces and soft textiles such as teddy fabric create a cosy foundation. Subtle brushed-gold accents and gently shimmering materials add a sense of refined lightness to the home. The result is a homely atmosphere that radiates calm and naturalness while embodying understated elegance.

"Cavallo" Series*

Item no. 2084594

Item no. 2084896

Pine branches, red baubles and gold with an antique finish – this collection transports us back to the Christmases of our childhood. Traditional colours, lovingly painted figures, nostalgic patterns and materials such as felt and ceramics evoke memories of festive days at our grandparents' homes. Instead of modern designs, this theme intentionally embraces authenticity and the festive atmosphere reminiscent of old department stores. Perfect for anyone who wants to bring back the charm of a classic Christmas.

Scandi Christmas for Design Lovers

Minimalist and intentionally understated – *Pure X-Mas* presents Scandi aesthetics in a festive form. Matte surfaces, glass, delicate embroidery and natural materials such as cotton or recycled paper define the look. The colour palette of deep red, soft beige and gleaming chrome creates a calm elegance that appeals to a design-orientated audience. The collection is festive enough for Christmas, yet so refined and reduced that standout pieces remain strong sellers even after the season – a real advantage when planning your assortment.

A Sense of Home Filled With Warmth & Comfort

As the All-Season pendant to *Farmhouse Christmas*, this theme draws on the same palette of wood tones, taupe and sage green. Natural materials, textured surfaces and small vintage details create a calm, timeless living atmosphere. Decorative elements made of glass and metal add lightness, while candles and faux fur emphasise the subtle winter character. An authentic range that appeals to lovers of the modern country-house style and conveys a sense of timeless homeliness.

AUTUMN BREEZE

Item no. 2060690

Item no. 2084540

Between golden light and rustling leaves unfolds a collection that blends modern country-house charm with autumnal cosiness. Natural tones such as beige, light grey and brown meet black metal and grey terracotta – timeless, homely and effortlessly relaxed. Subtle Halloween details, including carved pumpkins in beige and grey or bat silhouettes, integrate harmoniously into the overall look. In this way, two strong seasonal themes – autumn and Halloween – are combined in a stylish and cohesive way.
